MARCH 2011

PRESIDENT'S MESSAGE

The April General Meeting will be held on March 30th at 7:00 P.M.. The Board will meet at 6:00 P.M..

Since the last meeting, we have contracted with a Web Master and within a few weeks we should have a new Web Page. LWCCG.ORG is still our web address.

The Board has voted to change the date of the Annual LWCCG Banquet to the month of September.

I have contacted the Board of the Maritime Museum and they are checking on a date for a Show and Sell . At the General Membership Meeting we hope to have a date and time. Since there is limited space available, approximately twenty-five tables, we will start a sign-up list. It's first come first serve for this event.

The 2011 Rules Book is now complete . Copies were taken to the Ohio show this week. Booklets will be available at the General Meeting. They can also be accessed on our Web site. If you will be needing additional books for distribution, please let me know at the meeting

Please don't forget Show & Tell and the door prizes.

Hope to see you at the meeting.
Richard

Mr. Frank and Mr. Ruth both had surgery recently. Mr. Frank is back and healing. Mr. Ruth is still recovering. Mr. Curt Fabre' is back at our meeting tonight after being out for 3 months with an injury. Glad to see him back.

It was discussed and decided that the annual LWCCG Banquet will be held

Maritime Museum has contacted us and invited us to come back this year. It will be sometime in the middle of August on a Saturday. We will pass out fliers to advertise our show at the Museum. It was suggested that members perhaps bring some of the Auction Items for our up-coming Festival to display. There are 25 positions available at the Museum Show & Sell.

Bylaws: The Committee for the by-laws is working on them.

Advertising: The Advertising Com-

mittee for the Festival is being chaired by Chris Weaver. A budget will be set up for the next meeting. Chris showed several magazines that are free on the news stands. He recommended that we advertise more locally than Nationally. A member said we may also contact the Lieutenant Governor's Office and the local Chamber of Commerce.
