

Louisiana Wildfowl Carvers & Collectors Guild

Fellow Members,

Just a note to let you know that the Guild is alive and well and hope you and your family have survived this trying time. We haven't had a meeting in quite some time and long to get back to some sort of normality. With the Holidays coming up it will be January before we will meet again (I hope). I don't know about you but I'm getting a little stir crazy. We haven't been doing new letters because we haven't been having meetings and there was no progress to report. It was a difficult decision to not have a show this year but as I stated in my letter it was for the health and safety of our members and patrons.

Even though we are unable to meet, club business must go on. In accordance with our by-laws we are scheduled to have election of officers and board members. Nominations are now open and will close at our January meeting (if we are able to have one) with election at our 'February meeting. If we are unable to conduct business at a regular meeting, we will do it by mail. Anyone having a nomination please forward the name to our Secretary Kathy Reeves at 985 892 2215. With this home confinement we hope you were able to complete a lot of carvings to compete in our contest next year.

Hope, Good Wishes and Prayers go out to you and your family in this Holiday Season.
