PRESIDENT'S MESSAGE

First I want to thank everyone who worked so hard to make the 2011 Festival a success. In addition to all the members who worked at the Festival, I want to thank those who donated and participated in the auction, those who entered carvings in the show, and to all who participated in our carving demonstrations and competitions. While final results will be presented by Dickie Autin at our meeting, early indications are that we had approximately 25% increase at the walk in gate over last year, making this our largest attended show we've ever held.

While the number of pieces entered into the competition appeared to be down about 10%, the quality was up. The auction results appear to be about the same as last year.

Winners names will be listed on our web page along with pictures from the Festival.

I also want to thank everyone who attended our banquet prior to the festival. The food was good, the company was great and all at no cost, thanks to Mr. Frank. As, I am sure you know by now, Mr. Curt Farbe was honored as "Member of the Year". There is no way to fully thank Curt for the many years of hard work for our club and the contributions he has made to the carving community. Congratulations Curt.

If at all possible, please try to attend the meeting next week on Wednesday October 24. Not only will the 2011 Festival be discussed, but we will begin taking suggestions on improvements going forward. We have been getting many great
